CONSENT TO LICENSE AGREEMENT

The City of San Diego, a California municipal corporation ("CITY"), as LESSOR under that certain Lease Agreement entered into with American Tower, L.P., a Delaware limited partnership, predecessor-in-interest to American Towers LLC, a Delaware limited liability company ("LESSEE"), and filed in the Office of the City Clerk as Document RR301101 ("Master Lease"), consents to that certain License Agreement, dated Nov 8, 2022 ("License Agreement"), a true, correct, and complete copy of which is attached to this Consent to License Agreement ("Consent") as EXHIBIT A, between LESSEE and the U.S. Department of Justice, Drug Enforcement Administration, an agency of the federal government of the United States of America with a place of business at 8701 Morrisette Drive, Springfield, VA 22152 ("LICENSEE"), to be entered into subsequent to this Consent. The License Agreement shall be subordinate to the Master Lease in all respects. CITY is merely approving the LICENSEE and the proposed use, and all terms and conditions of the Master Lease shall control and supersede any inconsistent or contrary provisions in the License Agreement. CITY is not bound by any term or condition in the License Agreement that in any way conflicts with or is additional to the provisions of the Master Lease.

This Consent is subject to the following conditions:

1. ASSIGNMENT AND SUBLICENSING. LICENSEE shall not assign the License Agreement or sublicense the premises or any part thereof without the prior written consent of LESSEE and CITY. An assignment by operation of law shall automatically terminate the License Agreement.

2. INSURANCE.

2.1. **Coverage Types**. At all times during the term of License Agreement, LICENSEE must maintain insurance coverage as follows:

2.1.1. *Commercial General Liability ("CGL")*. Insurance written on an ISO Occurrence form CG 00 01 07 98 or an equivalent form providing coverage at least as broad which will cover liability arising from any and all personal injury or property damage in the amount of \$1 million per occurrence and subject to an annual aggregate of \$2 million. There will be no endorsement or modification of the CGL limiting the scope of coverage for either insured versus insured claims or contractual liability. All defense costs will be outside the limits of the policy.

2.1.2. *Commercial Automobile Liability*. For all LICENSEE'S automobiles including owned, hired and non-owned automobiles, the LICENSEE will keep in full force and effect, automobile insurance written on an ISO form CA 00 01 12 90 or a later version of this form or an equivalent form providing coverage at least as broad for bodily injury and property damage for a combined single limit of \$1 million per occurrence. Insurance certificate will reflect coverage for any automobile (any auto).

2.1.3. *Workers' Compensation*. For all LICENSEE'S employees who are involved in activities relating to the License Agreement and to the extent required by applicable California or federal law, LICENSEE shall keep in full force and effect, a Workers' Compensation policy. That policy will provide a minimum of \$1 million of employers' liability coverage, and LICENSEE will provide an endorsement to the Workers' Compensation policy providing that the insurer waives the right of subrogation against CITY and its respective elected officials, officers, employees, agents, and representatives.

2.2. Deductibles. All deductibles on insurance policies will be the responsibility of LICENSEE and will be disclosed to CITY at the time evidence of the required insurance is provided.

2.3. Acceptability of Insurers. Except for the State Compensation Insurance Fund, all insurance required by this Consent will only be carried by insurance companies with a rating of at least "A-, VI" by A.M. Best Company, that are authorized by the California Insurance Commissioner to do business in the State of California, and that have been approved by CITY. CITY will accept insurance provided by non-admitted, "surplus lines" carriers only if the carrier is authorized to do business in the State of California and is included on the List of Eligible Surplus Lines Insurers (LESLI list). All policies of insurance carried by non-admitted carriers are subject to all the requirements for policies of insurance provided by admitted carriers described in this Consent.

2.4. Modification. To assure protection from and against the kind and extent of risk existing with the License Agreement, CITY, at its reasonable discretion, may require the revision of amounts and coverage at any time by giving LICENSEE thirty (30) days prior written notice. LICENSEE will also obtain any additional insurance required by CITY for new improvements, changed circumstances, or CITY's reasonable re-evaluation of risk levels related to the License Agreement.

2.5. Accident Reports. LICENSEE will immediately report to CITY any accident causing property damage or injury to persons related to the License Agreement or the property area used by LICENSEE pursuant to the License Agreement. Such report will contain the names and addresses of the involved parties, a statement of the circumstances, the date and hour of the accident, the names and addresses of all witnesses, and other pertinent information.

2.6. Required Endorsements. The following endorsements to the policies of insurance are required to be provided to CITY before any activity is initiated under the License Agreement.

2.6.1. Commercial General Liability Insurance Endorsements.

2.6.1.1. Additional Insured. To the fullest extent allowed by law, including, but not limited to, California Insurance Code Section 11580.04, the policy or policies must be endorsed to include as an additional insured the CITY and its elected officials, officers, employees, agents and representatives with respect to liability arising out of: (a) ongoing operations of LICENSEE, (b) LICENSEE'S products, (c) LICENSEE'S work, including, but not limited to, LICENSEE'S completed operations performed by LICENSEE or on LICENSEE'S behalf, or (d) premises owned, leased, controlled or used by LICENSEE.

2.6.1.2. Primary and Non-Contributory Coverage. The policy or policies must be endorsed to provide that the insurance afforded by the Commercial General Liability policy or policies is primary to any insurance or self-insurance of CITY or its elected officials, officers, employees, agents and representatives as respects operations of LICENSEE. Any insurance maintained by CITY or its elected officials, officers, employees, agents and representatives will be in excess of LICENSEE'S insurance and will not contribute to it.

2.6.1.3. Severability of Interest. The policy or policies must be endorsed to provide that the LICENSEE'S insurance will apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability and will provide cross-liability coverage.

2.6.2. Automobile Liability Insurance Endorsements.

2.6.2.1. Additional Insured. To the fullest extent allowed by law, including, but not limited to, California Insurance Code Section 11580.04, the policy or policies must be endorsed to include as additional insured CITY and its respective elected officials, officers, employees, agents and representatives with respect to liability arising out of automobile owned, leased, hired or borrowed by or on behalf of the LICENSEE.

2.6.2.2. Severability of Interest. The policy or policies must be endorsed to provide that LICENSEE'S insurance will apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability and will provide cross-liability coverage.

2.6.3. Worker's Compensation Insurance Endorsements.

2.6.3.1. Waiver of Subrogation. The Worker's Compensation policy or policies must be endorsed to provide that the insurer will waive all rights of subrogation against CITY and its elected officials, officers, employees, agents and representatives for losses paid under the terms of this policy or these policies which arise from work performed by LICENSEE.

2.7. **Self-Insurance**. Notwithstanding the insurance requirements of this Section 2 to the contrary, Licensee shall have the right to self-insure with respect to any of the insurance required to be carried by Licensee under this Section 2, provided that (a) Licensee has not assigned its interest in the License Agreement to any other person or entity; and (b) Licensee governs and manages (either internally or through a third party administrator) its self-insurance program, and maintains sufficient reserves on its balance sheet committed to its self-insurance program liabilities.

3. **LICENSEE LIABILITY**. LICENSEE agrees that it is exclusively liable for injuries or damages caused by the negligent or wrongful acts or omissions of LICENSEE personnel acting within the scope of their employment, to the extent permitted by the Federal Tort Claims Act (FTCA), 28 U.S.C. §§ 2401(b), 2671-2680.

4. **SUBSEQUENT SUBLEASING OR SUBLICENSING**. This Consent does not constitute CITY'S consent to any subsequent assignment, sublease, or license and does not relieve LESSEE, LICENSEE, or any person claiming under or through LESSEE or LICENSEE of the obligation to obtain CITY'S consent to any future assignment, sublease, or license pursuant to the Master Lease.

5. **CONSIDERATION FOR LICENSE AGREEMENT**. LESSEE and LICENSEE represent and warrant to CITY that they have provided CITY with a true, correct, and complete copy of the License Agreement. LESSEE and LICENSEE further represent and warrant to CITY that there are no additional payments of rent or any other consideration of any type that has been paid or is payable by LICENSEE or any other person to LESSEE in connection with the License Agreement or the Licensed Space (as defined in the License Agreement), other than as disclosed in the License Agreement.

6. **COMMISSIONS**. LESSEE and LICENSEE each acknowledge and agree that CITY will not be liable for any brokerage commission or finder's fee in connection with the consummation of the License Agreement. LESSEE and LICENSEE, jointly and severally, agree to protect, defend, indemnify and hold CITY harmless from any brokerage commission or finder's fee in connection with the consummation of the License Agreement or this Consent, and from any cost or expense (including attorney fees) incurred

by CITY in resisting any claim for any such brokerage commission or finder's fee. The provisions of this Section 7 shall survive the expiration or earlier termination of the License Agreement and this Consent.

7. LEGAL PROCEEDINGS. Should it become necessary for LESSEE or CITY to commence legal proceedings to collect rent, to recover possession or enforce any other provision of this Consent, the prevailing party shall be entitled to an award of reasonable legal costs, including court and attorney fees; provided, however, an award made under this Section 7 shall only be enforceable against LICENSEE to the extent not inconsistent with federal law.

8. SUBORDINATION. As of the effective date of this Consent, the Master Lease expired by its own terms on January 31, 2021, and LESSEE occupies the premises as a month-to-month tenant pursuant to Section 2.4 of the Master Lease. The License Agreement may only be in effect while LESSEE'S month-to-month tenancy is in effect. Nothing in this Consent, the terms of the License Agreement, nor any information provided to CITY about the License Agreement modifies the expiration date of the Master Lease or the month-to-month nature of LESSEE'S or LICENSEE'S use or occupancy of the premises. LESSEE'S month-to-month tenancy is terminable on 30-days' notice and the License Agreement will terminate on termination of LESSEE'S month-to-month tenancy. CITY is not consenting to LICENSEE'S use of the Licensed Space (as defined in the License Agreement) for a duration longer than month-to-month.

9. NOTICES OF DEFAULT. If LESSEE or LICENSEE sends a notice of default to the other under the License Agreement, the notice sender shall concurrently send a copy of the notice to CITY.

10. LESSEE ESTOPPELS. LESSEE certifies the following to CITY as of the date of this Consent:

10.1. LESSEE has not assigned its interest in the Master Lease or otherwise transferred its interest in the Master Lease;

10.2. CITY does not owe LESSEE any money or other performance under the Master Lease;

10.3. CITY is not in default under the Master Lease;

10.4. The Master Lease expired by its own terms on January 31, 2021, Lessee presently occupies the premises as a month-to-month tenant pursuant to Section 2.4 of the Master Lease, and there have been no amendments, modifications, changes, or additions to the Master Lease since its execution; and

10.5. LESSEE is not in default under the Master Lease and no event has occurred that would constitute a default under the Master Lease by LESSEE.

THE CITY OF SAN DIEGO

M E M O R A N D U M

DATE: October 11, 2022

TO: Penny Maus, Director, Department of Real Estate and Airport Management

FROM: Carla Gresham, Supervising Property Agent, Department of Real Estate and Airport Management via Lucy Contreras, Deputy Director of Real Estate, Department of Real Estate and Airport Management

Subject: Consent to Sublicense – American Tower Corporation, Inc./Drug Enforcement Agency: Mt. Woodson Communications Facility

Background & Purpose:

The City of San Diego has an agreement with American Tower Corporation, Inc (ATC) for a telecommunications site on Mt. Woodson. ATC is seeking the City's consent to enter into a sublicense agreement with the Drug Enforcement Agency (DEA). The DEA is proposing to place its public safety equipment on the tower owned by ATC. This is a critical site for the DEA for placement of their public safety equipment. ATC currently has nine (9) sublessees on their tower; if approved there would be a total of ten (10) sublessees.

Lease Agreement History for the Property

On January 12, 2006, the City entered into a five (5) year Lease with ATC, with the right to extend for two (2) additional terms of five (5) years each, for the installation and operation of a communications facility located on Mt. Woodson. This is a month to month agreement which was placed in a holdover status in January 2021. The City is currently negotiating a new license agreement with ATC.

This Consent will allow ATC to enter into a sublicense agreement with the DEA, thereby allowing the DEA to install its public safety equipment on ATC's tower. This equipment will provide a critical expansion of the DEA's network.

Pursuant to the terms of the underlying agreement, the City will generate approximately \$11,538.00 in additional rent in the first year, which will escalate by 3% per year. Rent received for this site is deposited in the General Fund.

Discussion:

The Consent to sublicense is ready for review and signature. The DEA has requested the City expedite the agreement so that equipment may be installed as soon as possible.

Market Rent Valuation

Rent is established per the terms of the underlying agreement. The City will receive 50% of the gross income that ATC receives.

Insurance

Lessee has maintained the insurance coverages required by the Lease.

Rent Payment History

Lessee is current on percentage rent payments.

Processing Fee

Processing fee was received in March 2021.

Environmental Review

The City of San Diego conducted an environmental review and determined that the project would qualify to be categorically exempt from CEQA pursuant to Section 15301 (Existing Facilities) which allows for the operation, repair, maintenance, permitting, leasing, licensing, or minor alteration of existing facilities (public or private), involving negligible or no expansion of use beyond that existing at the time of the determination. Since the project would only allow for the sublease of an existing Wireless Communications Facility, the exemption was deemed appropriate. A NORA was processed and posted on July 23, 2020. No appeals were received.
