CEC, a tenant of the City under an existing License agreement, is seeking to sublicense a portion of the premises to Horsebound LLC who instructs members of the public in the care, maintenance, and riding of equines.

Horsebound also occupies the historic Adobe home as a City requirement for 24/7 staff on the property for security purposes. Horsebound has been subletting a portion of the premises since Canyonside Stables was the City's lessee many years ago.

The Sublicense Agreement between CEC and Horsebound runs coterminously with the License Agreement between the City and CEC.

Subject: Consent to Sublicense Agreement – Canyonside Equestrian Center, LLC and Horsebound LLC

Background & Purpose:

Pursuant to a License Agreement ("Agreement") between the City of San Diego ("City") and Canyonside Equestrian Center, LLC ("Licensee"), Licensee manages and operates an approximately 15.44 acre ranch as a boarding facility for horses, horse instruction and horse training with direct access to the Public Trails located throughout Los Penasquitos Canyon Preserve.

This memo is to provide documentation to support the approval of the attached Consent to Sublicense Agreement ("Sublicense") between Licensee and Horsebound, LLC. The Sublicense term runs coterminously with the License Agreement between the City and Licensee dated February 24, 2023.

Discussion:

Original Lease Agreement for the Property (2002-2017)

Pursuant to a Percentage Lease Agreement with Canyonside Stables, LLC, Canyonside Stables managed and operated the approximate 15.44 acre ranch as a boarding facility for horses, horse instruction and horse training with direct access to the Public Trails located throughout Los Penasquitos Canyon Preserve for fifteen (15) years from January 2002 through January 2017. Horsebound, LLC was a sublessee of the premises during this term.

Recently Terminated Lease Agreement for the Property (2017-2023)

Additionally and pursuant to another Percentage Lease Agreement with Canyonside Ranch, LLC, Canyonside Ranch managed and operated the approximate 15.44 acre ranch as a boarding facility for horses, horse instruction and horse training with direct access to the Public Trails located throughout Los Penasquitos Canyon Preserve from February 2017 through January 31, 2020. The Lessee remained in holdover status until February 23, 2023. Horsebound, LLC was again a sublessee of the premises during this term.

Current License Agreement for the Property (2023-present)

Finally and pursuant to a License Agreement with Canyonside Equestrian Center, LLC, Canyonside Equestrian Center manages and operates the approximate 15.44 acre ranch as a boarding facility for horses, horse instruction and horse training with direct access to the Public Trails located throughout Los Penasquitos Canyon Preserve. The Agreement became effective on February 24, 2023 for a term of one (1) year with two 1-year options to extend.

As a City requirement to manage and operate the property, the City requires on-site residency 24/7 on the property for security purposes. To fulfill this requirement, Licensee has requested City's consent to a Sublicense Agreement between Licensee and Horsebound, LLC.

Lease Administration recommends execution of the Consent to Sublicense Agreement.

Insurance

Licensee insurance expires February 1, 2024.

Rent Payment History

The Licensee is current on its rent.

This Sublicense Agreement is entered into on the first (1st) day of March, 2023, by and between CANYONSIDE EQUESTRIAN CENTER, LLC (hereinafter called "Licensor") and HORSEBOUND, LLC (hereinafter called "Licensee").

RECITALS

1. Licensor is the Licensee of the City of San Diego of that certain property located at 12115 Black Mountain Road, San Diego, CA 92129 (hereinafter called "Premises") according to a License Agreement dated February 23, 2023 between Licensor and the City of San Diego, California;
2. Subject to the terms and conditions of the License Agreement between Licensor and the City of San Diego, Licensor operates on the Premises an equestrian center which offers to the general public, for consideration, boarding of equines, equine riding lessons, and related equine activities;
3. Licensee represents that it is qualified to instruct members of the public in the care, maintenance, and riding of equines and desires to conduct such activities on the Premises;
4. According to the License Agreement, Licensor's use of the Premises is conditioned upon providing a broad range of equestrian activities to members of the general public in the addition to the boarding of equines;
5. In order to assure the broadest range of equestrian activities on the Premises, Licensor desires Licensee to instruct and Licensee desires to instruct members of the general public in the care, maintenance, and riding of equines;
6. Licensee desires to utilize a portion of the Premises for the purpose of instructing members of the public in the care, maintenance, and riding of equines.

Now, therefore, in consideration of the mutual covenants and conditions contained in this Sublicense Agreement, and based on the above Recitals hereby incorporated into this Sublicense Agreement, the parties agree as follows:

1. **FACILITIES.** Licensor will allow Licensee the non-exclusive use of the main arena and the dressage arena for instructing members of the public in the care, maintenance, and riding of equines. Licensee is aware that Licensor boards horses for members of the general public and that Licensor's boarders also utilize said arenas. Licensee shall use its best efforts to conduct its instructional activities without unreasonable interference with the boarders' use of such arenas and the Premises in general. Should Licensee desire to transport equines to the Premises to carry on its activities on the Premises, Licensee may do so on a day-to-day basis or, alternatively, may board no more than ten (10) equines on the Premises. Licensee shall board the equines in the area known as the "Lower Pasture" (See Attachment 1). With prior permission from Licensor, Licensee may expand the number of its equines on the Premises to a maximum of fifteen (15). For the boarding of its equines, Licensee will be granted exclusive use of the Lower Pasture. Examples of acceptable modifications include but are not limited to: The addition of a shade structure or structures, the addition of pipe panels to subdivide (not expand) the Lower Pasture into two or more usable holding areas or into separate pens, at Licensee's discretion; the addition of wood fencing, if desired; the addition of equine watering devices which may be connected to Licensor's existing water lines. Any or all such proposed modifications shall first be presented to Licensor by schematic diagram before they are physically implemented (these modifications will be submitted to the City of San Diego Real Estate Asset Dept. for approval). Licensee may implement such modifications only upon receipt of Licensor's written approval of said modifications shown on schematic diagram. Licensee is also granted the exclusive use of the existing office structure and staging area just east and left of the main property entrance gate (See Attachment 1). Licensee may, at Licensee's own expense and with prior permission from Licensor, modify the office structure and staging area for its convenience, subject to any necessary approvals by the City of San Diego and its authorized representatives. Licensee will clean its own stalls/pastures and staging areas as may exist hereunder this Sublicense Agreement and ensure the proper maintenance of all pipe panels, wooden fences, shelters, auto waterers, and gates. In carrying out its activities on the premises, Licensee acknowledges that, according to the terms of the Sublicense Agreement, any of Licensee's

personal property that becomes affixed to the premises shall become the property of the City of San Diego. Licensee acknowledges that the parking lots are common areas for use by Licensor, boarders, Licensee, Licensee's customers, and the City Park Rangers as necessary. No vehicles are allowed to park inside the main entrance gate. With prior permission and space available, Licensee may park equine transportation trailers necessary to its activities on the Premises at such locations as may be designated by Licensor and pay any reasonable monthly fees charged by Licensor for such parking. Licensee's described activities on the Premises shall be exclusive during the term of this Sublicense Agreement. Licensor shall prohibit any activities on the Premises that compete with Licensee's activities during the term of this Sublicense Agreement, with the exception that Licensor may secure the services of third parties to provide instruction in the care, maintenance, and riding of equines that are not provided by Licensee. For example, if Licensee does not give dressage lessons, then Licensor may obtain the services of a dressage instructor at Licensor's discretion. Before retaining the services of any such third parties, Licensor shall discuss the situation with the Licensee, which will then have an opportunity to provide the additional services if it can do so to Licensor's satisfaction. Any such retained third parties shall be limited to instructing Licensor's boarders on the Premises. The parties agree that any individual boarder of Licensor may, at their discretion, retain the services of any other instructor(s) for lessons rendered exclusively to the retaining boarder.

Licensee will pay Licensor fifteen percent (15%) of the SDG&E gas and electric bill monthly.

2. LICENSOR SERVICES. Licensor will provide feed for Licensee's equines according to Licensor's general feeding protocols (currently two feedings, AM and PM) from Licensor's supply of hay. Licensee acknowledges that Licensor is a Licensee of the City of San Diego and that the City of San Diego Park Rangers are on the Premises and have control and management of the adjoining Los Peñasquitos Canyon Preserve in conjunction with the City of San Diego, the County of San Diego, and the County of San Diego Park Rangers. While on the Premises or while within the confines of Los Peñasquitos Canyon Preserve, Licensee shall use its best efforts to comply with the administration of such Preserve by such agencies.

3. TERMS. This agreement shall be effective on Wednesday, March 1, 2023 and shall expire at 5:00PM on Thursday, February 29, 2024. If Licensee elects to extend the term of this Agreement for an additional period of one (1) year, and if Licensee is not in default of any provisions of this Sublicense Agreement, then Licensee may do so by giving Licensor ninety (90) days' prior written notice of such election. Licensor shall not unreasonably withhold its consent to such an extension.

However, the parties understand Licensor's tenancy itself is subject to renewal by the City of San Diego, and Licensee's right to an extension of the terms of this Sublicense Agreement is subject to the City's renewal of Licensor's License Agreement. LICENSEE ALSO AGREES AND UNDERSTANDS THAT THIS SUBLICENSE AGREEMENT IS CONDITIONED UPON WRITTEN APPROVAL BY THE CITY OF SAN DIEGO AND CANNOT BE EFFECTIVE UNTIL SUCH APPROVAL HAS BEEN GRANTED BY THE CITY.

4. RENT. Licensee shall pay to Licensor as follows:

 - iii. Amy: One (1) horse trailer parking spot @ \$40/month beginning March 1, 2023.

5. BUSINESS OPERATIONS OF LICENSEE. Licensee shall be allowed to conduct its business activities according to reasonable business practices. Licensee has sole discretion to maintain its equines for operation of its business subject to the rules and regulations of the United States Department of Agriculture for such commercial purposes.
