2.2 Master Lease; Right of Entry.

(a) Master Lease. This Lease is and shall at all times be subject to the terms and conditions of the Master Lease. The terms, conditions and respective obligations of Lessor and Lessee under this Lease shall include the terms and conditions of the Master Lease, except for those provisions of the Master Lease which are directly and expressly contradicted by the Lease, in which event the terms of this Lease shall control the terms of the Master Lease. Lessor covenants and agrees to exercise all options under the Master Lease necessary to extend the term of the Master Lease at least to the period of time provided for under the Lease, including options.

(b) Right of Entry. From the Effective Date until the Commencement Date, Lessor shall permit Lessee free access to the Property and the Premises, at Lessee's cost, to conduct surveys, feasibility and final configuration assessments, environmental assessments, and other inspections of the Property and Premises, at Lessee's cost, as Lessee may deem necessary. 2.03 Rent. Each month during the Lease term, Lessee shall pay the Rent to the name and address specified as Lessor's Rent Payee. Rent is due and payable the first (1st) of each month and delinquent if not received by the tenth (10th) of each month. If rent is received

(a) Rental Adjustment. Upon the commencement of each year, the annual Rent shall increase by four percent (4%) over the annual Rent paid for the immediately preceding year.

2.04 Right to Extend. Lessee shall have the right to extend the Term of this Lease for the Renewal Terms as defined in Article 1 (l) and, at the end of the fourth Renewal Term, for an additional period of one year, and for annual periods thereafter.

Notice of the exercise of the right to extend the Term shall be given by Lessee to Lessor at least six (6) months before the end of the Term or Renewal Term, as applicable.

Notwithstanding the foregoing, the Lease may be terminated during any of the one-year renewal periods by either party giving notice to the other at least 60 days before the end of such period.

2.05 Renewal Rental. Upon the commencement of each Renewal Term, the annual Rent for each year of each Renewal Term shall increase by four percent (4%) over the annual Rent paid for the immediately preceding year.

Lessor

Lessee

In addition, in the event of a natural or man made disaster, in order to protect the health, welfare, and safety of the community, Lessee may erect additional telecommunications facilities and install additional equipment on a temporary basis on the Property to assure continuation of service.

2.07 Interference.

(a) Lessee's Communications Use. In its use of the Premises, Lessee will not interfere with the communications operations of Lessor or the communications operations of occupants of the Property existing at the Commencement Date. In the event of any such interference, Lessee shall take all actions necessary to eliminate such interference in accordance with reasonable technical standards. If any such interference inhibits communications operations being operated on the Property by Lessor, and Lessee does not correct or commence to correct such interference within 24 hours, or if there are intermediate levels of interference and Lessee does not correct or commence to correct such interference within 30 days, Lessee shall discontinue operating such equipment, on Lessor's demand, unless and until it can be operated without interference with Lessor's equipment, or shall replace the interfering equipment with alternative equipment that does not cause such interference. Lessee shall additionally have the option to terminate this Agreement. In the event Lessor or Lessee wish to modify their respective communications operations, they agree to do so in such a manner as to not interfere with the current communications operations of the other. Lessee and Lessor agree to reasonably cooperate with each other to modify their respective communications operations in the event it is determined that interference may develop as a result of a proposed change by either; provided, however, the party who is requesting the change shall bear the other party's costs and expenses of modification, if any.

(b) Lessor's Lease to Others for Communications Use. If Lessor wishes to permit the use of Lessor's Property by another communication provider for the erection, operation and maintenance of a transmission facility (including an antenna structure) Lessor must meet the following requirements:

(1) Lessor shall require each communication provider at the Property to adhere to the same technical standards so that there is no electrical interference and to locate its antennas and equipment so that there is no physical interference with Lessee's communications use. Lessor shall require Lessee and all communication providers to sign the Technical Requirements for Third Party Co-Location, in the form attached hereto as Exhibit "D".

Lessor

Lessee

(2) Lessor shall provide not less than sixty (60) days' prior notice to Lessee of the erection of such facility, together with facility specifications for Lessee's approval;

(3) The erection, maintenance and operation of such transmission facility shall not result in any impairment or diminution in the quality of the communication service rendered by Lessee to or from the Property; and

(4) No changes shall be made to the antenna structure by such other provider without Lessee's prior written consent which consent shall not be unreasonably withheld.

If Lessee deems, in its reasonable discretion, that the provisions of this Section have been violated by Lessor or any other provider, Lessee shall provide Lessor with notice of such violation. If such violation is not cured or mitigated (at no expense to Lessee) within twenty-four (24) hours of receipt of such notice, Lessor shall cause such other provider to immediately cease use of its radio system, or portion thereof causing such interference, until such time as the interference is cured. If such interference is not eliminated, Lessee shall have the right to terminate this Agreement or seek injunctive relief enjoining such interfering use generated by any other occupant of the Property and to obtain any other remedy permitted Lessee by law. Lessor shall require that any agreement with such other provider shall include a provision requiring compliance by such other provider with the provisions of this Section.

2.08 Termination. This Agreement may be terminated, without any penalty or further liability, on twelve (12) months' written notice by Lessee if Lessee is unable to obtain or maintain any license, permit or other governmental approval necessary to the construction or operation of the Facility or Lessee's business.

No later than sixty (60) days after the termination of this Agreement, by expiration of the term or otherwise, Lessee will remove its personal property and fixtures and restore the Premises to their condition on the Effective Date, reasonable wear and tear and casualty loss excepted. The roof section modified by Lessee shall be warranted for five (5) years against leakage. If time for removal causes Lessee to remain on the Premises after termination of this Agreement, Lessee shall pay Rent at the then existing monthly rate, until such time as the removal of the personal property and fixtures is completed.

2.09 Conditions to Lease. As conditions precedent to the Effectiveness of this Lease, Lessor shall obtain written consent of the Master Lessor to this Lease as required by the Master Lease. Lessor shall obtain an executed Consent to Sublease Agreement in the form attached to this Lease as Exhibit "E". If Lessor has not received the executed Consent to

Lessee

Sublease Agreement prior to June 1, 1997, this Lease shall be deemed canceled, and neither party shall have any liabilities or obligations to the other party arising after the cancellation date, unless Lease is extended by mutual agreement.

ARTICLE 3.

INSURANCE; DAMAGE

3.01 Lessee's Insurance. At all times during the Term, Lessee, at its own expense shall maintain:

(a) general liability insurance for claims for bodily injury or death and property damage with combined single limits of not less than \$1,000,000 per occurrence;

(b) insurance coverage on a broad form basis insuring against "all risks of direct physical loss" on all of Lessee's personal property located in the Premises in an amount not less than their full replacement value;

(c) worker's compensation insurance insuring against and satisfying Lessee's obligations and liabilities under the worker's compensation law of the state in which the Premises are located; and

(d) if Lessee operates owned, hired or non-owned vehicles on or about the Property, comprehensive automobile liability insurance with a limit of not less than \$500,000 combined bodily injury and property damage.

Each such policy shall list Lessor and Master Lessor as an additional insured, and shall provide that it will not be terminated or substantially amended during the Term to affect the coverage required except after thirty (30) days prior notice thereof to Lessor.

Lessee shall have the right to fulfill its insurance obligations under this Section pursuant to self insurance, provided that Lessee shall have satisfied all requirements of any applicable law, regulation or direction relating to self insurance. If Lessee elects self insurance, Lessee shall provide Lessor with a letter of self insurance at any time within thirty (30) days after Lessor's request therefor.

3.02 Insurance Certificate. Lessee shall, within thirty (30) days following Lessee's occupancy and annually thereafter within twenty (20) days following renewal of each

Lessor

Lessee

such policy, furnish to Lessor and Master Lessor certificates of insurance listing Lessor and Master Lessor as an additional insured.

3.03 Lessor's Insurance. At all times during the Term of this Agreement, Lessor will carry and maintain fire and extended coverage insurance covering the Building, Lessor's equipment and common area furnishings in amounts not less than their full replacement cost. Lessor shall also carry commercial general liability insurance on the Property, including any common area, in amounts reasonably determined by Lessor.

3.04 Waiver of Subrogation. Lessor and Lessee, from time to time, will cause their respective insurers to issue waiver of subrogation rights endorsements to all property insurance policies carried in connection with the Building or the Premises or the contents of either. If such waiver of subrogation endorsements are issued and during the time such waivers are effective, Lessor and Lessee each waive any and all rights to recover against the other, or against the officers, directors, shareholders, partners, joint ventures, employees, agents, customers, invitees or business visitors of such other party, for any loss or damage to such waiving party arising from any cause covered by any property insurance required to be carried pursuant to this Section or any other property insurance actually carried by such party.

3.05 Damage. If the Premises or a portion of the Building necessary for Lessee's occupancy is damaged during the term of this Lease by any casualty which is insured under standard fire and extended coverage insurance policies, Lessor will repair or rebuild the Premises to substantially the condition in which the Premises were immediately prior to such destruction. The Rent or Renewal Rent, as applicable, will be abated proportionately during any period in which there is substantial interference with the operation of Lessee's business, except in the event damage is caused solely by Lessee. If the Premises are damaged to the extent that it would take, in Lessor's reasonable judgment, more than 30 days to repair, then either Lessor or Lessee may terminate this Lease.

3.06 Eminent Domain. In the event that all of the Premises or all of the Property is taken by condemnation, sale in lieu of condemnation or in any other manner for any public or quasi-public use, this Agreement shall terminate and Lessee shall have the right to assert a claim for the portion of the award attributable to Lessee's interest in the Premises. In the event a part of the Premises or Property is taken by eminent domain, this Agreement shall remain unaffected unless, in Lessee's sole judgment reasonably exercised, the taking materially impacts the use and occupancy of the Premises, including rights of ingress and egress. If only a portion of the Premises is taken by eminent domain, and Lessee does not elect to terminate this Agreement under this provision, then rental payments provided under this Agreement shall be reduced proportionally as to the portion taken which is not then usable by Lessee and this

Lessor

Lessee

Agreement shall continue. If Lessee elects to terminate this Agreement, then this Agreement shall terminate as of the date specified in Lessee's notice.

3.07 Liability and Indemnity. Lessee agrees to indemnify and save the Lessor and Master Lessor harmless from all claims (including costs and expenses of defending against such claims) arising or alleged to arise from any act or omission of Lessee or Lessee's agents, employees or contractors, occurring during the Initial Term or any Renewal Term, in, on or about the Premises, the Access Easement or the Utility Easement, unless such claims are caused by, or are the result of, the intentional misconduct or negligence of Lessor or any of Lessor's agents, employees, contractors or invitees. Lessor and Master Lessor in turn agree to indemnify and save Lessee harmless from all claims (including costs and expenses of defending against such claims) arising or alleged to arise from any act or omission of Lessor or Lessor's agents, employees, contractors or invitees, occurring during the Initial Term or any Renewal Term, in, on or about the Premises, the Access Easement or the Utility Easement, unless such claims are caused by, or are the result of, the intentional misconduct or negligence of Lessee or any of Lessee's agents, employees or contractors. The provisions of this Paragraph 3.07 shall survive the termination or expiration of this Lease and the surrender of the Premises by Lessee.

ARTICLE 4.

4.01 Lessor Compliance. Lessor represents and warrants that, as of the date of this Lease, the Premises and the Property comply with all applicable laws, statutes, ordinances, rules, codes, regulations, orders, and interpretations of all federal, state, and other governmental and quasi-governmental authorities having jurisdiction over the Property (collectively, "Laws"), including, without limitation, the Americans with Disabilities Act of 1990. At its sole cost and expense, Lessor will promptly comply with all Laws (including, without limitation, the Americans with Disabilities Act of 1990), except to the extent that such compliance is required solely as a result of Lessee's use or occupancy of the Premises. 4.02 Lessee Compliance. Lessee will promptly comply with all Laws relating to Lessee's use or occupancy of the Premises.
